Sun permitting, seven baths are available after dinner. Baths #1, 2, and 3 are below Yogawasi. Baths #4 and 5, perfect for couples, and are found below the Aputika rooms. Baths # 6 and 7 are across the path at Healing Gardens. Take your flashlight and go to your bath at the designated time so that the water does not get cold.

If possible, wear white or light colored clothing, or use the white robe provided. A staff member will return to the room at the end of your session.
